i think it s the one of the best songs of american caesar .and no one tabbed
it out yet.i don t understand * s a living legend and there are such a
few tabs to his songs. boogie boy is waiting louie louie too.

take care of * should,he s pretty * garbage man.

intro (quietly)
```
E||----------------------||
B||-------6-----6/8------||
G||--4/6-------------6---||
D||----------------------||
A||----------------------||
E||----------------------||
```

```
    riff 1                     riff 2
E||-------------------------|----------------------|
B||-------------------------|----------------------|
G||---8--6------------4------|----8--6----------4-6b-|
D||-6--------4--6--4-----6----|--6-------4--6--4-------|
A||-------------------------|----------------------|
E||-------------------------|----------------------|
```

play it till the end,sometimes riff 1(more often) sometimes 2.as you like

beautiful chorus:
```
   Ab5                     Gb5           Db5                 Gb5
E||-------------------------------------------------------------------------|
B||-------------------------------------------------------------------------|
G||-----------------------------------6-------------------------------------|
D||-6-------------------4-----------6-------------------4-------------|
A||-6-------------------4-----------4-------------------4-------------|
E||-4-------------------2---------------------------2-------------|
```
    If you leave the hate alone tonight,Music s gonna get you home tonight

```
E||----------------------------------------------------------------||
B||----------------------------------------------------------------||
G||--------------------------------6-------------------------------||
D||-6--------------------4-----------6--------------------------(6)-||
A||-6--------------------4-----------4-------------------4-3-2-1---(6)-||
E||-4--------------------2-----------------------------------------(4)-||
     If you leave the hate alone tonight,Music s gonna get you ho-o-o-me tonight

     when time s 3:35 second guitar comes with:

E||------------------------------------------------|
B||------------------------------------------------|
G||------------------------------------------------|
D||--6--9----6--9--6----6--9----6--9----6--9--6---|
A||------------------------------------------------|
E||------------------------------------------------|

then (4:15) the third one,* i don t need it.
```
