Lyrics

I m sliding like a lizard on my belly and back  
 It s a miracle I haven t fallen through any cracks  
 The life on display is trouble for sure  
 The drugs that I took have made me impure

The neon forest is lighting up  
 The neon forest is lighting up  
 My brain

I ve learned some nasty lessons so I m shutting  
 My mouth  
 A fury in my gut is spinning me round  
 and round  
 To be a total phony is the winning design  
 When the fabric of life is a horny goldmine

The neon forest is my home  
 And like a cartoon cat I roam  
 Where only kids are still alive  
 And anyway they re gonna fry  
 My brain

You can get a weird prize for being adored  
 You can join the in crowd for being a whore  
 Although you are lonely you wish for a fence  
 America takes drugs in psychic defense  
 You can say what you want but nobody s there  
 Have you got any money?  
 Are you anybody?
