

A **D**
Tell me mama tell me if its worth your trying

A
To make a mark and save your soul?

E **D**
I m alright now it s cool

E **D** **A**
I m alright now with you, living your good life.

A **D**
Sometimes I get a little lost and lonely

A
I really can t go on

D
Always drunk on enemies

A **D**
Do the darkest dance and puke upon your memory

A
And trample on your evil ways

D
Stand up to your darkest days

A
Twist around the things you say

D
Stomp upon your gazing face

A
Spit into your fading gaze

D
Trample on your yesterdays

A **D**
But never your tomorrows

A **D**
Never your tomorrows

A **D**
Never your tomorrows

E **D**
I m alright now with you

E **D**
I m alright now it s cool

E **D** **A** **D**
I m alright now with you living your good life

D **A** **D**
Living your good life

D **A** **D**
Living your good life

D **A** **D**
Living your good life

A **D**
Tell me mama, tell me about god and money

A **D**
Tell me mama, tell me about god and money

A **D**
Tell me mama, tell me about god and money

A
Tell me mama...

D
Tell me about God and Money

A
I really gotta know

D
What happened to your soul?

A
Tell me mama...

D **A** **D**
Tell me should I leave here running and never look your way again?

E **D**
I m alright now it s cool

E **D** **A** **D**
I m alright now with you, living your good life.

A
Tell me mama...

D
Tell me about sex and dying

A
I really gotta know

D
Did you ever open up and flow?

A **D**
Tell me mama tell me if its worth your trying

A
To make a mark and save your soul?

E **D**
I m alright now it s cool

E **D** **A**
I m alright now with you, living your good life.

A **D**
Sometimes I get a little lost and lonely

A
I really can t go on

D
Always drunk on enemies

A **D**
Do the darkest dance and puke upon your memory

A

And trample on your evil ways
