Originally Cm, A flat, E flat, B flat, at 85 bpm.

[Verse 1]

Em **C**
I didn t mean to hurt you when I hurt myself
G **D**
It s just an empty voice screaming out for help
Em
No, I didn t mean to scare you
C
But I couldn t see
G **D**
That when I went to hell I was taking you with me

[Chorus 1]

Em
When I close my eyes
C
I m climbing in the dark
G
Trying not to fall apart
D **Em**
Sometimes I get so high
C **G**
Falling is the only out I see
D **Em**
And I don t wanna take you down with me

[Pre-Drop 1]

C
You re the love in my heart
G
Only love in my heart
D
Take you down
Em
Take you down with me
C
(Don t wanna take you down)
G
(Take you down)
D
(Take you) down with me

[Drop 1]

Em C G D
Em C G D

This life is like a razor
 C
 When it cuts, I bleed

 G
 And there s no way that now
