

**Take You Down**  
**Illenium**

Originally Cm, A flat, E flat, B flat, at 85 bpm.

[Verse 1]

I didn t mean to hurt you when I hurt myself  
It s just an empty voice screaming out for help  
No, I didn t mean to scare you  
But I couldn t see  
That when I went to hell I was taking you with me

[Chorus 1]

When I close my eyes  
I m climbing in the dark  
Trying not to fall apart  
Sometimes I get so high  
Falling is the only out I see  
And I don t wanna take you down with me

[Pre-Drop 1]

You re the love in my heart  
Only love in my heart  
Take you down  
Take you down with me  
(Don t wanna take you down)  
(Take you down)  
(Take you) down with me

[Drop 1]
