

Without You
Illenium

[Verse 1]

C

I feel you

Em

Shutting down

Am

G

After we've had one too many

Of these talks

C

Em

You say you wanna stay

Am

G

C

But I know you'd rather get up and walk away

C

Em

Can you hear me

Am

I'm crying out for you

G

C

I'm crying out for you again

Em

I'm not ready

Am

To let this go

G

We've come too far

[Pre-Chorus]

C

Em

And I won't ask you to stay

Am

But promise we'll be okay

G

Running out of time

C

Em

I'll let you clear your mind

Am

G

I just hope you can find a way

[Chorus]

C

Em

Cause I can wait a little bit longer

Am

G

And I can be a little bit stronger

C

I know that things won't be the same

But I m willing to take the blame

Cause I don t wanna be without you (Dadadadada-darling)

I don t wanna be without you (Dadadadada-darling)

I don t wanna be without you

[Verse 2]

C
I m not me

Em
And you re not you

When we re fighting like this

Can t we just go back to where we were

I know you think I m naive

But I know that you re worth fighting for and I believe

[Pre-Chorus]

Em
And I won't ask you to stay

But promise we ll be okay

Running out of time

I ll let you clear your mind

I just hope you can find a way

[Chorus]

C Em
Cause I can wait a little bit longer

And I can be a little bit stronger

I know that things won't be the same

But I m willing to take the blame

Cause I don t wanna be without you (Dadadadada-darling)

I don't wanna be without you (Dadadadada-darling)

I don t wanna be without you

[Outro]

G

Cause I don t wanna be without you

G

C

I don t wanna be without you

[Outro] is played only with one strum of chords
