

**Let Me Love You**  
**Ilo Ferreira**

This is a new musician, his music is awesome and he needs to be heard. I know this tab the greatest cuz it is so new and I m new at this. And the lyrics aren t anywhere on internet so I guessed at a few spots. But it s close, and the intro tab isn t that  
Enjoy! -pedro

Intro:

**E A E A B E**

**Asus2**

**E**

I ve been walkin around the room searchin for my love

**Asus2**

**E**

i ve been hunting my dream everywhere I go

**Asus2**

**A**

Every corner every street

**E**

it s a hole for me

**A**

**B**

**E**

every sign of a woman s big heart

chorus:

**A**

let me love you babe

**E**

let me care for you

**A**

**B**

**E**

let me tell you there is nothing nothing like you

i came around cuz people say you fall in love so easy  
if you want to love someone, this is the right place  
you don t fear, you don t run, away from love, oh love  
and who knows, i may find my love tonight

(chorus)

repeat same chord sequence with the ohhh oh ohhhs

(chorus)
