

Heartbeat

Ilse DeLange

[Intro]

Em C G

[Verse]

Em C
Underneath the surface, rising tide
G
Caught up in the current, too hard to fight
Em C
Everything s blurry, colorblind
G
Everything you re seeing, so black, so white

[Pre-chorus]

C D
I know it s ups and downs, your life hasn t been easy
Em D
I know those darker days, believe me

[Chorus]

Em C
I could be your heartbeat, running through your veins
G
When all the world go silent, I will say your name
Em
And when the light is hiding,
C
And you re running out of remedies
G D
When your fire s dying, I ll be what you need
Em C
I could be your heartbeat
G
I could be your heartbeat

[Verse]

Em C
Head up in the skyline, heavy clouds
G
Gravity s pulling you to the ground
Em
I wanna be your parachute
C
I wanna be your peace
G
I wanna be your rescue
Someway, somehow

Right now

[Chorus]

Em **C**
I could be your heartbeat, running through your veins

G
When all the world go silent, I will say your name

Em
And when the light is hiding,

C
And you're running out of remedies

G **D**
When your fire's dying, I'll be what you need

Em **C**
I could be your heartbeat

G
I could be your heartbeat

[Bridge]

C **D**
I know it's ups and downs, your life hasn't been easy

Em **D**
I know those darker days, believe me

C **D** **C**
And when your heart's about to break, I'll bring you back to life

[Chorus]

Em **C**
I could be your heartbeat, running through your veins

G
When all the world go silent, I will say your name

Em
And when the light is hiding,

C
And you're running out of remedies

G **D**
When your fire's dying, I'll be what you need

Em **C**
I could be your heartbeat

G
I could be your heartbeat

Em **C**
I could be your heartbeat

G
I could be your heartbeat
