

I Love You
Ilse DeLange

[Intro]

C G F

[Verse 1]

C **G** **F**
I didn't mean to be so cold
C **G** **F**
Like your arms had never hold me
C **G** **F**
Like a story never told
N.C. **F/A**
But you know exactly how it goes

[Pre-Chorus]

C **G** **F**
Still you carry on with pride
C **G** **F** **C**
When you touch me you're so tenderly
G **F**
All the pain you keep inside
N.C. **F/A**
Wouldn't stop you from defending me
N.C. **F2/A**
Always remembering

[Chorus]

C **B2**
I love you
F2 **DM7**
Your love's stronger than I can deny
C **B2**
I love you
F2 **Dm7**
Your faith kept us safe

[Verse 2]

C **G** **F**
Between two hearts you'll never find
C **G** **F** **C**
A deeper understanding
G **F**
There's no use in asking why
N.C. **F/A**
When the answer is right before my eyes
N.C. **F2/A**
And I finally realize

Your love s stronger than I can deny
