Ok
Ilse DeLange

[Verse 1]
```
Em                               D        C      D
We can sit in this silence without a word
Em                           D          C       D
You can sit in the quiet and still be heard
Am                          D
Let the tears go if you feel you gotta
C                                    G     Dm   F
Let your mind speak if you really wanna
               D                       D       C
Let your soul breathe, let your soul breathe
```

If you really wanna, you wanna?

[Chorus]
```
Em
It s okay with me
Em
Be what you wanna be
Cadd9                                         G
Let me be your safety when the fall is dark and deep
                          Em
I ve been where you ve been
```

Lean on me, my friend
```
               C                          G       D/A#
You can let the pieces of your heart start crumblin
```

It s okay with me

[Post-Chorus]
```
G                       D/A#
It s okay, it s okay, it s okay, it s okay
Em
It s okay with me
G                    D/A#
It s okay, it s okay, it s okay, it s okay
Em
It s okay with me
G                    D/A#
It s okay, it s okay, it s okay, it s okay
Em
It s okay with me
G                 D/A#
It s okay, it s okay, it s okay, it s okay
```

[Verse 2]

```
Em                              D          C    D
Rumors hit you like thunder, so damn cruel
Em                              D          C    D
Almost taking you under like a fool
Em
You listen to that people pleasing chatter
C                              G      D/F# Em
They don t know ya, know ya like I know ya
Em
They don t love ya, but it doesn t matter
C
No, it doesn t matter, no

[Chorus]
Em
It s okay with me
Em
Be what you wanna be
Cadd9                                      G
Let me be your safety when the fall is dark and deep
                          Em
I ve been where you ve been

Lean on me, my friend
             C                              G        D/A#
You can let the pieces of your heart start crumblin

It s okay with me

[Post-Chorus]
G                        D/A#
It s okay, it s okay, it s okay, it s okay
Em
It s okay with me
G                        D/A#
It s okay, it s okay, it s okay, it s okay
Em
It s okay with me
G                        D/A#
It s okay, it s okay, it s okay, it s okay
Em
It s okay with me
G                        D/A#
It s okay, it s okay, it s okay, it s okay

[Bridge]
Em                              E7
Let the tears go if you feel you gotta
C                              E7
Let your mind speak if you really wanna
Em                      Em
Let your soul breathe, let your soul breathe
D
```

If you really wanna

[Chorus]
Em
It s okay with me
Em
Be what you wanna be
Cadd9   **G**
Let me be your safety when the fall is dark and deep
                                        Em
I ve been where you ve been

Lean on me, my friend
                        C   **G**   **D/A#**
You can let the pieces of your heart start crumblin

It s okay with me

[Post-Chorus]
G   **D/A#**
It s okay, it s okay, it s okay, it s okay
Em
It s okay with me
G   **D/A#**
It s okay, it s okay, it s okay, it s okay
Em
It s okay with me
G   **D/A#**
It s okay, it s okay, it s okay, it s okay
Em
It s okay with me
G   **D/A#**
It s okay, it s okay, it s okay, it s okay

[Outro]
G   **D/A#**
It s okay, it s okay, it s okay, it s okay
G   **D/A#**
It s okay, it s okay, it s okay, it s okay
Em
It s okay with me

Em fade out
