Here I guess is the guitar solo, its still just a bunch of power chords, nothing to get too excited about

A5 C#5 G#5 F#5 A5 Repeat

This part I cant hear the guitar in the background, the vocals and bass overcome guitar,
so here is my best guess. This is all on the g string, haha, g string, I just got that.

7-7-7-7/9-9-9-9/10-10/12-12/14\12/14 **D5 A5**
Aaaaaahhhh ohh Bad a ba ba ba ba I m alive

Ok repeat the chorus 2 times and that guitar solo thing and your done. There is a LITTLE
part where some guitar is wailing on the high e string, and this is how it ends.

Don t forget to email me to tell me how awesome this tab was.
