Bleeding Out
Imagine Dragons

CAPO 1

[Intro]

Fm

(4 beats)

[Chorus]

Fm   **C#**
   I m bleeding out
      G#   **Eb**
So if the last thing that I do
  Fm   **C#**
Is bring you down
    G#   **Eb**
I ll bleed out for you
    Fm
So I bare my skin
     C#
And I count my sins
    G#   **Eb**
And I close my eyes and I take it in
   Fm   **C#**
I m bleeding out
   G#   **Eb**
I m bleeding out for you
    Fm
For you

[Instrumental]

Fm C# G# Eb (2x)

[Verse]

      Fm   **C#**
When the day has come
     G#   **Eb**
That I ve lost my way around
   Fm   **C#**
And the seasons stop

```
     G#                     Eb
And hide beneath the ground
         Fm          C#
When the sky turns grey
     G#              Eb
And everything is screaming
       Fm      C#
I will reach inside
         G#                  Eb
Just to find my heart is beating
       Fm          C#
Oh you tell me to hold on
       G#            Eb
Oh you tell me to hold on
     Fm            C#
But innocence is gone
     G#                 Eb
And what was right is wrong

[Chorus]

         Fm            C#
Cause I m bleeding out
           G#                    Eb
So if the last thing that I do
    Fm            C#
Is bring you down
       G#               Eb
I ll bleed out for you
         Fm
So I bare my skin
         C#
And I count my sins
       G#                    Eb
And I close my eyes and I take it in
     Fm          C#
I m bleeding out
       G#                  Eb
I m bleeding out for you
       Fm
For you

[Verse]

         Fm        C#
When the hour is nigh
     G#                    Eb
And hopelessness is sinking in
         Fm          C#
And the wolves all cry
     G#                        Eb
```

```
To fill the night with hollering
           Fm          C#
When your eyes are red
    G#              Eb
And emptiness is all you know
          Fm          C#
With the darkness fed
G#                Eb
I will be your scarecrow
Fm              C#
You tell me to hold on
       G#          Eb
Oh you tell me to hold on
     Fm           C#
But innocence is gone
     G#                  Eb
And what was right is wrong

[Chorus]

          Fm        C#
Cause I m bleeding out
        G#                  Eb
So if the last thing that I do
   Fm         C#
Is bring you down
     G#             Eb
I ll bleed out for you
      Fm
So I bare my skin
       C#
And I count my sins
     G#                 Eb
And I close my eyes and I take it in
     Fm         C#
I m bleeding out
    G#              Eb
I m bleeding out for you
     Fm
For you

[Instrumental]

Fm C# G# Eb (4x)

[Chorus]

       Fm            C#
Cause I m bleeding out
        G#                    Eb
```

```
So if the last thing that I do
    Fm          C#
Is bring you down
      G#                Eb
I ll bleed out for you
      Fm
So I bare my skin
        C#
And I count my sins
        G#                    Eb
And I close my eyes and I take it in
    Fm          C#
I m bleeding out
      G#                    Eb
I m bleeding out for you
        Fm
For you

[Outro]
