Imagine Dragons

G, D, Em, C 2x

Oh-Oh-Oh Oh-Oh-Oh-Oh-Oh

Oh-Oh-Oh Oh-Oh-Oh-Oh-Oh

G
Looking at the lonely telegram, I crept into your room

Em
Listen to the breathing voices of the ones around the tomb

G D Em C
The radio is playing, but I can't hear them sing

G D Em C
The people are explaining, but they don't know a thing

Am
Give me a sign, give me a sign
I wanna die tonight

C D
They say that London sounds like a city of red

G Em
All the prisoners wait for their turn to be dead

C D
You don't love me

G Em
You don't love me like you say you do

G, D, Em, C

G
I can take a picture, you can be a picture
Stitched into my faded black

Em
I can take you home, or I can be a home
We'll never look on back

G D Em C
The radio is playing, but I can't hear them sing

G D Em C
The people are explaining, but they don't know a thing

Am
Give me a sign, give me a sign
I wanna die tonight

C D
They say that London sounds like a city of red

G Em
All the prisoners wait for their turn to be dead

C D
You don't love me

G **Em**
You don't love me like you say you do

C **D**
Oh, London sounds like a city of red

G **Em**
All the prisoners wait for their turn to be dead

C **D** **Em**
And I don't want to die

C **D** **Em** **G**
No I don't want to die...Tonight

G **D**
Come out, I'm waiting on your front porch

Em
You came in through the back door

C **G**
We drift along the flooded sea of muddy waters

D
Clouds above us crying tears of sins

Em
All dying

C
We're begging for a reason

G, D, Em, C 2x
Oh-Oh-Oh! Oh-Oh-Oh-Oh-Oh!
Oh-Oh-Oh! Oh-Oh-Oh-Oh-Oh!

G **D**
Now come out, I'm waiting on your front porch

Em
You came in through the back door

C **G**
We drift along the flooded sea of muddy waters

D
Clouds above us crying tears of sins

Em
All dying

C
We're begging for a reason

G
This year seems like a season

D
Belief in how we're living

Em
Story with no ending

C
The storm is beating down

G
But we're sinking to the sky

D
We're sinking to the sky

Em

We re sinking to the sky

C

We re sinking to the sky

G, D, Em, C.....
