

My Fault

Imagine Dragons

My first tab, I don't think it's completely right. However, there was no other one, so I figured I'd give it a shot! Hope it's helpful! *update* D/F# sounds better than D, and Em7 rather than Em. So I put them in parenthesis for optional use.

VERSE 1

G

I took a walk on a Saturday night,

Em (Em7)

Fog in the air,

C

Just to make my mind seem clear

D (D/F#)

Where do I go from here?

G

I see my breath pushing steam through the air,

Em (Em7)

Shaking hands run through my hair,

C

My fears,

D (D/F#)

where do I go from here?

CHORUS

G

Em (Em7)

Is it my fault, is it my fault?

C

We've been missing each other,

D (D/F#)

We've been missing each other.

G

Em (Em7)

My fault, is it my fault?

C

We've been missing each other,

D (D/F#)

We've been missing each other.

VERSE 2

G

Walking down to the water's edge,

Em (Em7)

C

Asking why I'm here instead of home,

D (D/F#)

Now I stand alone.

G

I stop to stare at the ocean side

Em (Em7)

I m breathing in just to feel it s side

C

With his

D (D/F#)

Like you were here with me.

CHORUS

G **Em (Em7)**

Is it my fault, is it my fault?

C

We ve been missing each other,

D (D/F#)

We ve been missing each other.

G **Em (Em7)**

My fault, is it my fault?

C

We ve been missing each other,

D (D/F#)

We ve been missing each other.

BRIDGE

C **G**

Oh it s on the warmest night,

D (D/F#)

It s in the brightest light,

Em (Em7)

It s when the world is moving.

C **G**

Oh it s in the faintest cry,

D (D/F#)

It s in the lovers eye,

Em (Em7)

It s when I need you most,

C

And don t you know,

CHORUS

G **Em (Em7)**

Is it my fault, is it my fault?

C

We ve been missing each other,

D (D/F#)

We ve been missing each other.

G **Em (Em7)**

My fault, is it my fault?

C

We ve been missing each other,

D (D/F#)

We ve been missing each other.

CHORUS

G **Em (Em7)**

Is it my fault, is it my fault?

C

We ve been missing each other,

D (D/F#)

We ve been missing each other.

G **Em (Em7)**

My fault, is it my fault?

C

We ve been missing each other,

D (D/F#)

We ve been missing each other.
