[Verse 1]

A C#m

Oh, pretty baby, you re my motivator

B

Got me changing my words and my behavior

A C#m

Pretty lady, you re my operator

B

Got me dialing your number just to hear ya

[Pre-Chorus]

A

C#m

Tell me the things that you want

I give you all that I ve got

B

Open your eyes, then you will see

[Chorus]

N.C.

It s just you and me

A C#m

Only

C#m B

Throwing out the key

A B

Just living in a dream

A

It s just you and me

A C#m

Only

C#m B

Listen to you breathe

A B C#m

Just living in a dream

It s just you and me

[Verse 2]

B C#m

My disaster, you re my only answer

B

You got me thinking that I could be your master (that I could be your master)

A C#m

Pretty baby, you re my heavy ocean

B

Bring me down and give me your devotion

[Pre-Chorus]

A C#m

Tell me the things that you want

I give you all that I ve got (I ve got)

B

Open your eyes, then you will see

[Chorus]

N.C.

It s just you and me

A C#m

Only

C#m B

Throwing out the key

A B

Just living in a dream

A

It s just you and me

A C#m

Only

C#m B

Listen to you breathe

A B C#m

Just living in a dream

It s just you and me

[Bridge]

A C#m

Take, take me over

Yeah, take me over

B A

I don t wanna wake up

B

It s just you and me

A C#m

Take, take me over

Yeah, take me over

B A

I don t wanna wake up

B

It s just you and me

C#m **B A**

Dream, dream, dream, dream world

C#m **B A**

Dream, dream, dream, dream world

Take, take me over

Yeah, take me over

A C#m B

I don t wanna wake up, wake up, wake up, wake up

[Chorus]

C#m B

Listen to you breathe

A B C#m

Just living in a dream

It s just you and me

A C#m

Only

C#m B

Throwing out the key

A B

Just living in a dream

A

It s just you and me

[Outro]

C#m **B A**

Dream, dream, dream, dream world

B

It s just you and me

C#m **B A**

Dream, dream, dream, dream world
