In the mean time
We let it go
At the road side that we used to know

Em7
We can let this drift away
Oh we let this drift away

D
At the bayside where you used to show
In the moonlight where we let it go

Em7
We can let this drift away
Oh we let this drift away

G
And there s always time to change your mind
Oh there s always time to change your mind

A4
Oh love Can you hear me?
Oh let it drift away
