I been afraid, don t wanna fade out of my body

You were the brave, I was the weak, you were the army

You were the faith, you were the truth, I was the sorry
Am **Fmaj7**
I m feeling like you ve been taking away

[Pre-Chorus]

C **Dm**
You were my one, you were my one
Am **Fmaj7**
When all has been said, all has been done

You were my one, you were my one
Am **Fmaj7**
Now I am left reaching above me, oh, oh

[Chorus]

Why did you leave? Why did you go leaving me lonely?
