How I could get her

But when I was with her

I only thought about you (baby)

Girl, your love is banging...  
And I ain't about to let you go (oh, no)

(do 3rd stanza chords)  
It ain't so hard to choose (so hard to choose)  
It's you I don't wanna lose  
If those crazy thoughts get in your head  
They'll turn you away from me

#### CHORUS

(do stanza chords)  
Whenever we're together  
I can't get any better  
So when they bring you the stories  
Baby don't believe a thing  
Cause you'll always be my lady  
And she'll only be my friend (oh, I love you)  
And I don't know what to do without you

Chorus to fade

You're the only one the only girl I want  
No one else can come between us you know  
(anything for you)
