Em Bm
Emptiness of crowded streets.

G D
City blooming, ponding beat.

Em Bm
Passing while I long away.

G D
Something lasting, that will stay.

Em Bm
As a window flashes by,
G D
bronze figures, by my sides.

Dressed in light I lift off among them,
Bm7
catching speed, and singing loud their anthems.

Bm A Bm
The wings of white, surrounds me.

A Bm
Through skylines we re aiming.

G Bm
In your eyes I see a, consternation.

A D Bm D Bm G
til dawnlight I m flying.

Bm G
I m whirling forward, in boundless speed.

Bm G
Through loops and turns, by love streams.

Bm G
Come sweep away, in this transcendence.

Bm G
By bosom of air.

Bm G
And as you gaze, I see your face

Bm G
in consternation, reaching out.

Bm **G**

I m not here.
