Band tacet
I licked the lap of luxury
Bit off enough to chew
I love the taste of anything
That I can spit at you
[There s actually some picking pattern here
but I don t know it]
I feel bad to be good and so misunderstood
About bad and what s good and what s misunderstood
To be had is too good to be misunderstood
It s just sad that I don t have a friend

                F#5
I drove to feel the drive
                 F#5
The chouffer s dead my momma said
And you re the one alive
