[[INTRO]]

**Cadd9 Em7 Dsus4 A7sus4 x2**

[[VERSE 1]]

**Cadd9**

I have so many dreams

**Em7**

**Dsus4**

That I should read up about

**A7sus4**

But would the words I read change me?

**Cadd9**

**Em7**

**Dsus4**

Cause I bet the story says that I should ask for a sign

**A7sus4**

And I should get this off my chest,

**Cadd9**

**Em7**

**Dsus4**

I ve never walked so far in the pouring rain...

**A7sus4**

I never one even asked you to stay,

**Cadd9**

**Em7**

**Dsus4**

Our actions speak as loud as words

**A7sus4**

Then I m a fool if I don t concus

**Cadd9**

Cause I owe to you

**Em7**

**Dsus4**

**A7sus4**

Some of my best spent days...

[[CHORUS]]

**Em7 Cadd9**

**G**

So if you were me what would you do?

**Em7**

Is the risk too great?

**Cadd9**

**G**

**Em7**

If I lock this up I m risking you too...

**Cadd9**

**G**

Cause I don t wanna wish on my past...

**Em7**

So if you re up late,

**Cadd9**

There s some things,

**G**

**Dsus4**

I wanna say to you...

[[BRIDGE]]

**Cadd9**

This is something,

**Dsus4 Em7 G**

Something so unforeseen

**Cadd9**

But you have changed me...

**Dsus4 Em7 G**

Changed me in how I feel...

**Cadd9**

So Tread easy...

**Dsus4 Em7 G**

It s not like this has to change,

**Cadd9**

I don t need this,

**Dsus4 Em G**

It s fine if it stays the same...

**Cadd9**

But tonight...

[[CHORUS]]

**Em7 Cadd9 G**

So if you were me what would you do?

**Em7**

Is the risk too great?

**Cadd9 G Em7**

If I lock this up I m risking you too...

**Cadd9 G**

Cause I don t wanna wish on my past...

**Em7**

So if you re up late,

**Cadd9**

There s some things,

**G Dsus4**

I wanna say to you...

[[OUTRO]]

**Em7 Cadd9 G**

But you re asleep...

**Em7 Cadd9 G**

But you re asleep...

End on Cadd9
