

Agoraphobia Intro
Incubus

version three is the most correct version, although the pre chorus is wrong.
here s how
goes...

the tuning is drop d

the effect sounds like a light chorus with a light drive distortion

pickups on rythm

```
e-----|  
b-----|  
g-----0-----0-----0-----0-----0-----|  
d-----5-----|  
a--3-----1-----3-----1-----3-----|  
d-----1-----1--3-----1-----1--3-----|
```

and so on, and so one
