Erica and her Isadore  
climbed aboard a balloon  
I want more than this kite will soar  
I ve set our sights on the moon

F/C                    C    C4  
You can t just leave I ve given everything

F/C                    C    C4  
I can t believe you re taking everything,

F/C                                    C  
you re taking everything

Am    Am/C    D9                                    Am

It s not who you were, it s who you are

C                                    D4

and we ve come this far lover, no?

Am    Am    D9                                    Am                                    C                                    D4

I won t rest until the world knows the name Isadore

(Intro)

( Am D9 )

Blinded by their unbridled height  
our lovers turned dissolute

F/C                    C    C4  
You can t just leave I ve given everything

F/C                    C    C4  
I can t believe you re taking everything,  
F/C                    C  
you re taking everything

( Am    D9 )  
Then with eyes wide, a splintered sight  
there s just one parachute  
Goodbye Erica now I see  
that my worst fears were in tune
