```
Вb
Back when I had a little
I thought that I needed a lot
Eb
A little was over rated,
A#
but a lot was a little too complicated
Вb
You see-Zero didn t satisfy me
A million didn t make me happy
Eb
That s when I learned a lesson
A#
That it s all about your perception
Вb
Hey-are you a pauper or a superstar
C
So you act, so you feel, so you are
Eb
It ain t about the size of your car
A#
It s about the size of the faith in your heart
same pattern whole song :}
