[Verse 1]

**Em7** **Bm7** **Am7**  
Sometimes I shave my legs and sometimes I donâ€™t  
**Bm7 Em7**

**Bm7** **Am7**  
Sometimes I comb my hair and sometimes I wonâ€™t  
**Bm7 Em7**

**Bm7** **Am7**

Depend of how the wind blows I might even paint my toes  
**Bm7 Em7**

**Bm7** **Am7**  
It really just depends on whatever feels good in my soul  
**Bm7 Em7**

[Chorus]

**Bm7** **Am7**  
Iâ€™m not the average girl from your video  
**Bm7** **Em7**  
And I ainâ€™t built like a supermodel  
**Bm7** **Am7**  
But I learned to love myself unconditionally,  
**Bm7** **Em7**  
Because I am a queen

I not the average girl from your video  
My worth is not determined by the price of my clothes  
No matter what Iâ€™m wearing I will always be

[Verse 2]

When I look in the mirror and the only one there is me  
Every freckle on my face is where itâ€™s suppose to be  
And I know my creator didnâ€™t make no mistakes on me  
My feet, my thighs, my Lips, my eyes, Iâ€™m loving what I see

[Chorus]

[Verse 3]

**Bm7** **Cmaj7**  
Am I less of a lady if I donâ€™t where panty hose

**Em7** **Bm7** **Cmaj7**  
My momma said a lady ain't what she wears but what she knows

**G/B** **Am7** **G**  
But I've drawn the conclusion, it's all an illusion

**Am7**  
Confusion's the name of the game

**Cmaj7** **G/B** **Am7** **G**

A misconception, a vast deception,

**Fmaj7** (#11)

Something got to change

Now don't be offended this is all my opinion

Ain't nothing that I'm saying law

This is a true confession

Of a life learned lesson

I was sent here to share with y all

So get in when you fit in

Go on and shine

Clear your mind

Now's the time

Put your salt on the shelf

Go on and love yourself

~Cause everything's gonna be alright

[Chorus]

Out

Keep your fancy drink, and your expensive minks

I don't need that to have a good time

Keep your expensive cars and your caviar

All's I need is my guitar

Keep your crystal and your pistol

I'd rather have a pretty piece of crystal

Don't need you silicone, I prefer my own

What god gave me is just fine

[Chorus]

Please let me know what you think!! Write your comments and I'll continue to post

Indy s tabs.
