

**Blood And Fire**  
**Indigo Girls**

BLOOD AND FIRE (Amy Ray)

[Key of A, but actually in B, so capo up 2 frets]

[The chords are just guides; mix in a lot of (9) chords with these. For instance: in the intro, play the A for 5/8 of the measure and A(9) for the last 3/8; same with the G. The D is actually D-D(9)-D-D(9). Dsus is used at the end of the verses, and Asus at the end of choruses.]

[A=002220;

A(9)=002200;

Asus=002230;

D=x00232;

D(9)=x00230;

Dsus=x00233;

G=320003

Gadd9=300003 or 320203.

A G D D A G D D

[intro]

A G D D A G D D  
Well I have spent nights with matches and knives

A G D D  
Leaning over ledges only two flights up

A G D D  
Cutting my heart, burning my soul, with nothing left to hold

A G D D  
Nothing left, but blood and fire

A G D D  
You have spent nights thinking of me, missing my arms but you needed to leave

A G D D  
Leaving my cuts, leaving my burns, hoping I d learn

G D A A  
But blood and fire are too much for these restless arms to hold

G D A A  
And my nights of desire, they re calling me here, back to your fold

G D A A  
And I m calling you, calling you, from ten thousand miles away

G D A A  
Won t you wet my fire with your love, babe

I am looking for someone who can take as much as I give  
And ll give back as much as I need, y know and they still have the will to live

Cause I am intense, I am in need, I am in pain, I am in love  
But I feel forsaken, you know like the things I, I gave away

And blood and fire are too much for these restless arms to hold

And my nights of desire, they re calling me here, back to your fold  
And I m calling you, calling you, from ten thousand miles away  
Won t you wet my fire with your love, babe

I am intense, I m in need, I m in pain, I m in love  
I am intense, I am in need, I am in pain, I am in love  
I am intense, I am in need, I am in pain, I am in love

And blood and fire are too much for these restless arms to hold  
And my nights of desire, they re calling me here, back to your fold  
And I m calling you, calling you, from ten thousand miles away  
Won t you wet my fire with your love, babe  
Won t you wet my fire with your love, baby, hold me
