I m trying to tell you something bout my life				
Maybe give me insight between black and white				
And the best thing you ve ever done for me				
Is to help me take my life less seriously; it s only life after all

Well darkness has a hunger that s insatiable				
And lightness has a call that s hard to hear				
I wrapped my fear around me like a blanket				
I sailed my ship of safety till I sank it; I m crawling on your shore				
I went to the doctor I went to the mountains				
I looked to the children I drank from the fountain				
There s more than one answer to these questions pointing me in a crooked line				
And the less I seek my source for some definitive the closer				
I am to fine The closer I am to fine

I went to see the doctor of philosophy				
With a poster of Rasputin and a beard down to his knee				
He never did marry or see a B grade movie				

He graded my performance he said he could see through me

I spent 4 years prostrate to the higher mind got my paper and I was free

I went to the doctor I went to the mountains

I looked to children I drank from the fountain

There s more than one answer to these questions pointing me in a crooked line

And the less I seek my source for some definitive the closer  
I am to fine The closer I am to fine

(whistle)

I stopped by the bar at 3 A.M.

To seek solace in a bottle or possibly a friend

And I woke up with a headache like my head against a board  
Twice as cloudy as I d been the night before and I went in seeking clarity

I went to the doctor I went to the mountains

I looked to children I drank from the fountain

We go to the doctor we go to the mountains

We look to the children we drink from the fountain

We go to the bible we go through the workout

We read up on revival we stand up for the lookout

There s more than one answer to these questions pointing me in a crooked line

And the less I seek my source for some definitive the closer  
I am to fine The closer I am to fine The closer

I am to fine
