Indigo Girls
Cordova

Originally for the piano so these are the basic guitar chords, don't hesitate to experiment with altered voicings!

No Capo

Am **Bm**
The volunteers come for your prayers
C
and some souvenirs,
Am **Bm**
With ivory skin and boycott lessons
C
Year after year.

G **D**
Well I'm tracing your face up in the space
Am
of the bottom bunk,
C
Oh Cordova.
G **D**
Where I cried and I cried,
Bm **C**
I knew I was trading on things that I didn't have,
D
The things that I didn't have.

Am
Now you come to me
Bm **C**
With revolutions, infidelity,
Am **Bm**
With blacklisted friends and tupperware kin,
C
And your big history.

G **D**
Well I'm tracing your face up in the space
Am
of the bottom bunk,
C
Oh Cordova.

G **D**
Where I cried and I cried,
Bm **C**
I knew I was trading on things that I didn't have,
D
The things that I didn't have.

Am **Bm**
I memorize the lullabies
C
of dwindling lives.
Am **Bm**
The lay of the land, the touch of each hand
C
We lose by and by.

G **D** **Am**
I'm tracing your face up in the space of the bottom bunk,
C
Oh Cordova.
G **D**
Where I cried and I cried,
Bm **C**
I knew I was trading on things that I didn't have,
D
The things that I didn't have.
