[D->Am7 means slide from D down to Am7(4), with the speed of a hammer-on]

G - Am7 G/B - C D - D->Am7(4) G - Am7 G/B - C D - D->Am7(4)
[intro]

G Am7 D Am7(4)
Well I don t have much to say
G Am7 D Am7(4)
Thought I d call you up anyway
G Am7 D B7 Em Em(9)
Just to try and tell you the way that I feel today
F C
Oh, I miss you baby

Well, I sure am on the road
I don t need to say much more
I m just the same old well known stranger that I was before
Seems like yesterday now

G Am7 D Am7(4)
Daddy s all gone
G Am7 D Am7(4)
He s just halfway home
G Am7 D B7 Em Em(9)
But he s hanging on to the telephone, singing please
F C
Don t let the show go on

Am7 G/B C D
[instrumental, double time from the other chords]

There s a bus every other hour
Even a midnight train
But that don t leave me the power to see your face again
It s not that simple anymore

See there s a room full of smiling faces
There s a man standing by the door
He says its time we change our places and get down on the floor
I d like to kill him baby oh oh no now

Daddy s all gone
He s just halfway home
He s hanging on to the microphone, singing please
Don t let the show go on
