I m harboring a fugitive, a defector of a kind
A(9) A(9) A(9) A(9)
And she lives in my soul, and drinks of my wine
E E E E A(9) A(9) A(9) A(9)
And I d give my last breath just to keep us alive

Are they coming for us with cameras or guns?
We don t know which, but we gotta run
And you say, this is not what I bargained for

So hide yourself for me
[similar to intro here...]
All for me

We swore to ourselves we d go to the end of the world
But I got caught up in the whirl, the twirl of it all
A day in the sun, dancing alone, baby I m so sorry

Now it s coming to you; the lessons I ve learned
Won t do you any good, you ve got to get burned
Well the curse and the blessing, they re one and the same

Baby it s all such a treacherous game

Hide yourself for me
I said hide yourself for me
All for me

Ooooohhhhhhh [instrumental]

I stood without clothes, danced in the sand
I was aching with freedom, and kissing the damned
I said, remember this is how it should be

Baby, I said, it s all in our hands
Got to learn to respect what we don t understand
We are fortunate ones, fortunate ones I swear

Hide yourself for me
I will hide myself for you, ohhh
I will hide myself for you, ah ahahh
I will hide myself for you, all for you [tacet]

I stood without clothes, danced in the sand
I was aching with freedom, and kissing the damned
I said, Remember this is how it should be
