It s Alright (written by Emily Saliers)
Indigo Girls
from: Shaming of the Sun
(in 4/4 time, DADGBe tuning)

This is a very rough idea of it, and I m sorry,
but it s better than nothing. =) Hopefully
they ll come out with a song book soon.

D
it s alright 40 days of rain
skin stretched out from the growing pain
it d be nice to have an explanation
but it s alright
D
and it s alright if you hate that way
if you hate me cause I m different
if you hate me cause I m gay
the truth of the matter come around one day
and it s alright
G
I look at this life line stretched
Gm **D**
way all across my hand
D **E7**
I look at the burned out empty
G **A7**
like a plague across the land
G **Gm**
and for everything I learned there are
D
two I don t understand
E7
that s why I m still on a search
through the weather strewn church

E7 **G** **A(7)**

I m doing the best that I can
(stop)
and it s alright

D
it s alright though we worry and fuss
we can t get over the hump
can t get over us
seems easier to let go and trust
but it s alright

D
when we get a little distant some
things get clearer
give em space some hearts grow nearer
I ran as hard as I could
still ended up here
and it s alright

G
Well I look at this life line streched

Gm **D**
way all across my hand

E7
I look at the fires of hatred
burning up the bounty of this

G
beautiful land

Gm
and I know I m small in a way

D
but I know I m strong

E7
and it s my thirst that brought me to the water

G **A(7)**
I give it all up as she carries me on
and it s alright

bridge

G A D x2

(finger picking)

D
and it s alright if I feel afraid

E7
my plans in pieces, my plans mislaid

G
it s the will of the way, the will of the way

A
the will of the only way that could have
brought me here today

(stop)
and it s alright
