KID FEARS (Amy Ray)  
-----

NOTES about the chords:

- \* In the last chorus, where all the voices are tangled together, I tried to notate it as best I could. Amy s part is on the first line in capital letters; Michael Stipe s part is below that, in capitals and in parentheses; Emily s part is at the bottom, in parentheses but no caps. I went through the trouble of doing this because the songbook is completely useless for figuring out the end of this song...
- \* Where it says C, that might often be C(9). Mix it up.
- \* C(9)=x32033 or x32030; D11=554030 or x54030; Em7=022030

FEARS			KID...				HOLD ON...	

This is the only tab I have (and you probably already figured this out):

<b>Em</b>		<b>Cmaj7</b>	<b>D11</b>
E -----	-----	-----	-----
B 0-----3-----	-----0-----	-----	-----
G -----	2-----	0-----2-----	--0---0---0-
D -----	-----	-----	4---4---4---
A -----	-----	-----	-----
E +---+---+---	+---+---+---	+---+---+---	+---+---+---

The chord fingerings I use for those four measures are:

022000 022030 | 022200 022000 | x32000 x32200 | x54030 |

If you use these fingerings, you should be able to hear that tab part in the chords.
