

Rise Up
Indigo Girls

RISE UP (E. Saliers)

st. tuning, no capo.

C D F Bb C G....(x1)

C

Dog at the window still

D

looks all day never gets her fill

F

Bb

Cause a glance means a chance

C

G

to break the birds out congregating

C

I have seen a look like that

D

you licked your chops from where you sat

F

Bb

Make your kill for a thrill

C

G

and you don't mind waiting

Dm

F

Rise up your dead,

C

G

there's life in the old girl yet

Dm

F

C

G

Rise up your dead

C

When it bums you out,

D

all the hunters sprung to pounce

F

Bb

And at best it's a mess

C

G

like a nest infested

You remember there's more than this

There always was and always is

Tend the artist in your charges,

you are full invested

chorus

Bb

F

C

And if you need to, read your mindless mag

G

Bb

F

Call me up for tickets, we ll go see sugarland

And it gets better even when it s been a drag

Just move to the music, move your body to the band and

Rise up!

solo part
