D5 **B5**
dolittle all day
A5
go down to the riverside take off our shoes
D5 **B5**

(add an acoustic here playing A,D,B chords)

A5 **D5** **B5**
the river said la la la shame on you X2

i go down to chiano city park
cause it makes me feel so fine
when the weeds go down you can see up close
in the dead of the winter time
but when summer comes everything s in bloom
and you wouldn t know it s there
the white folks like to pretend it s not
but their music s in the air
you can hear them singing la la la shame on you
you can feel them dancing la la la shame on you

my friend tanner says you know me and Jesus
we re of the same heart
the only things that keeps us distant
is that i keep fuckin up
i said come down to chiano city park
wash away your blues away
the beautiful ladies walk on by
you know i never know what to say
they will be singing
oo la la shame on you

lets go road block trippin in the middle of the night
up in Gainesville town
there ll be blue lights flashin
down the long dirt road
when they ask me to step out
they say they are looking for illegal immigrants
can we check your car
i say you know it s funny
i think we were on the same boat back in 1694
i said oo la la shame on you
