

Share The Moon
Indigo Girls

This is a fairly simple song, but one of Amy s best.
Played in standard tuning, no capo.
Pick through the chords, and mix the intro riff in occasionally.

You will need barre chords for this song,
they re not terribly hard though.

See the chord charts below if you need
clarification on any of the chords.

INTRO RIFF-going up and down on a standard E chord

```
E | ---0-----0----- |
A | -----2-----2-----2----- |
D | -----2----- |

B | ----- |
E | ----- |
```

E

I can go one day without calling
Two days without bawling
Three days without missing

A

But a lifetime of no kissing you

E

Is something that I just can t do.

B

A

E

I wish I could be there, to share the moon

E

I got more back for the breaking
More callous for making
A lifetime for the aching

A

I got no need to run this battery down.

E

I m just trying to get the stains out.

B

A

E

I wish I could be there, to share the moon

I don t mind if I do

C#m **G#m**

Hey la la

A

I m gonna love you til it works

C#m **A**

I ve got no mind to lose

E

Ooooooooooooo ooh ooh

E

There s one trash heap burning

Fireflies are returning

Nightfall is softly chirping

A

One trailer light is staying on til dawn

E

I wonder who it s waiting on.

C#m **G#m**

Hey la la

A

I m gonna love to you til it hurts

C#m **A**

I don t mind if I do
