This is my first attempt at transcribing a song so please forgive any mistakes. It s quite simple though so there shouldn t be too many. For G/B and G/A (these names are made up) you ll probably just want to play strings 4 and 5, as if you were playing a power chord.

Chords: G=320033; Dsus/F#=200233; C9=x32033; D=xx0232;
G/B=x20033; G/A=x00033

G Dsus/F# C9
[intro x2]

G Dsus/F# C9
I thought the time was passed when I could

G Dsus/F# C9
Find beauty in a verse

G Dsus/F# C9
I set the stage and the scenery

G Dsus/F# C9
Rehearsing every word, yeah

D D
But when I tried to make it more

C9 G
Well it was always less

D D
And it s a thin line between pleasing yourself

C9 G/B G/A G
And pleasing somebody e- e- else

Dsus/F# C9
Oh yeah

G Dsus/F# C9

Oh yeah All right

G Dsus/F# C9
With my confidence on fire

G Dsus/F# C9
I set to fixin up my role

G Dsus/F# C9
My separation of desire

G Dsus/F# C9
Just left me deeper down in the hole, yeah

D D
When I tried to make it more

C9 G
Well it was always less

D D
And it s a thin line between pleasing yourself

C9 G
And pleasing somebody else

D D
Yeah and when I tried to make it more

C9 G
Well it was always less

D D
It s a thin line between pleasing yourself

C9 G/B [PLAY TAB]
And pleasing somebody else
