WALK AWAY (Amy Ray)

[Each chord, or chords joined by hyphens, is two fast 2/2 measures
or one slow 4/4 measure, depending on how you look at it.]
[The E s have some Esus4 s in them, and the A s have Asus9 s.]
[B(4) is x24440.]
[At the end of the second E in each E Bm7 A E series, play a
riff that goes 0-1-2 on the D string, then open G string.]
[Credit for most of the guitar solo tablature goes to Scot Ninneman
(scotjohn@leland.stanford.edu).]

E Bm7 A E E Bm7 A E
[intro]

E Bm7
We used to walk in each other s arms,
A E
It was one on one, that s what you said
E Bm7
Now the moon is a sliver in our eye
A E
And we stumble bleeding on this broken glass

C#m B
There was too much repetition (over and over and over again)
C#m B
You know I passed the point of sane (over and over and over again)
C#m B
But all this broken glass you left behind
A B(4)
Won t let you make a clean, clean

E Bm7 A E
Walk away

Now we re crossing from this sacred ground
Where we once held each other, and each other s names
When the words are sparse, and we feel we re so profound
But babe, you know all I feel honey, I feel so ashamed

Ah, hah, yes there was, there was too much repetition
Oh, you know you know you know, you know I m past the point of sane
Ah, ho, woh, and all this broken glass we left behind
Won t let us make a clean, clean

I said walk away, oh yeah, walk away
Oh no, walk away, baby baby, walk away, oh lord

I said walk away, ah yeah, walk away
Ah no, walk away, baby baby, walk away

G **D**
There was a time when we gave everything
A **E**
And it was true, babe, true enough to bleed (true enough to bleed, baby)

G **D**
But now you feel that you ve got nothing left
A **B(4)**
Well if there s nothing to lose babe, oh baby, don t you know by now

E **Bm7**
Then there s nothing to gain, oh no, walk away
A **E**
Oh no, walk away, oh baby baby, walk away

You know I d still hold you if I could
It s hard not to try and change, try to change your mind
Well I m a pillar of salt and I want you to understand, babe
Cause honey, this is the last time, it s the last time
I ll ever look behind

Oh yeah, walk away
Oh no, walk away, baby baby, walk away, all right, let s go

E **Bm7** **A** **E** **E** **Bm7** **A** **E** **E** **Bm7** **A** **B(4)**
[guitar solo; see tab at end.]

Oh, I said walk away, oh yeah, walk away
Oh no, walk away, baby baby, walk away

Oh no, I said walk away, walk away, I said close your eyes
(Don t you know we used to walk in each other s arms)
Walk away, baby baby, try to listen to me, I want to tell you
(It was one on one (?), that s waht you said to me baby, yeah)

Now walk away, oh yeah, walk away, gotta learn to look inside
(Now the moon is a sliver in our eyes)
Walk away, baby baby, baby baby, baby baby

(We stumble, walking on broken glass, oh)

I said walk away, c mon baby, walk away, I said listen to me
Walk away, baby baby, listen, I want to tell you

E **Bm7**
Now walk away, oh yeah, walk away

A **B7sus4** **E.**
Oh no, walk away, oh baby, I said you got to know by now
