F
Oh these ancient skies
C
I ve had these wandering eyes
Bb **C**
but you took me by surprise
F
when you let me inside of you

F
Inside of you
C
Inside of you
Bb
There s got to be
C
Some part of me

Inside of you

Bb **C** **F**
Inside of you, I could cross this desert plane
Bb **C** **F**
Inside of you, I can hear you scream my name

Inside of you, while the stars unfold

I ve crossed me heart and I ve crossed the world
Bb **C**
and I need you here and I need to be
F
Inside of you

Now the flowers bloom

I feel you creep into my room
Bb **C**
and if this should be our tune

I ll die here inside of you
