

Dancing With Kadafi
Infected Mushroom

Tabbed by: InfectedSMG

Tuning: Standard (eBGDAE)

Although this guitar part is only used in the intro part of the song, It is one of the memorable parts and forms the basis for most of the melody in the song. I tabbed this I have been looking for a tab for a long time and couldn t find one, so i did it myself.

You will have to work out the exact timings yourself from the song.
