

**Smashing The Opponent**  
**Infected Mushroom**

**F#m**

Smack me again

**F**

And I cant believe its true

**Dm**

Smashing the opponent

**G**

Was not my intention to do

**Am**

Nether did you

**F#m**

Foresee such an outcome

**F**

To this unnecessary ending

**Dm**

I wish I could retrace all my steps

**G**

And erase my mistakes

**Am**

With you

Chorous:

**Am F Dm**

I wanted to say

**G**

You shouldn t suffer this way

**Am F Dm**

I wanted to say

**G**

I hope I can take it away

**F#m**

**F**

Tempt me again and I will forget the truth

**Dm**

Backing your decision

**G**

Was something I neglected to do

**Am**

Even for you

**F#m**

If you feel rage

**F**

To strike me with revenge

**Dm**

I will be standing right here

**G**

Waiting without fear

**Am**

For you

Chorous
