

**Paradise**  
**Infinite**

Infinite - Paradise from Paradise the repackaged album of Over The Top.

Capo 1

whole song: **Bbm G# F# C# G#**

(Repeat)

When the pitch changes: **Bm A G D A**

(or just put onto capo 2)

It s my first time writing a tab so i m not really sure about the pitch changing bit. But the main part sounds correct.
