 So drop your hesitation and come with me
 Nothing that we say can hurt us now

 Am
 F

 Take this night and make it remember us

 G

 There s nothing stopping us now

 Am

 So come with me

Am

We re in the darkness We are here inside our hiding place The sound and smoke pour down on us

And so we have to speak with our eyes To hear your voice would be a surprise

Am

We re all just kids from a Round town and so we know That outside in the real world F

It doesn t matter what we do We know for us there s nothing new

Am

I know you re only here to kill a few more hours I could be somewhere else

F But now I ve got my reasons not to go home I don t want to be there alone

Am

You know you ve got to stop Thinking about right and wrong Tonight it s you and me F

It s now or never we ve got nothing to lose We can do whatever we choose
