I ve notaced a lot of people asking for this tab, and since I can t find another on the I worked it out myself.

Standard tuning  
~ slide to  
h hammer on/ off

This is the main riff, it plays once at the start and then at random points in the song.

you can see Slack plays it differently than InSoc.

```

E-----|-----|
B-----|-----|
G-----|-----| (Original)
D---4---7---6---9--|---6---9---7---5--|
A---4---7---6---9--|---6---9---7---5--|
E---2---5---4---7--|---4---7---6---3--|
      F#m  A  G#  B      G#m  B  A#  G

```

```

-----|
-----|
-----| (Slack)
---4---7---6---3--|
---4---7---6---3--|
---2---5---4---1--|
      F#m  A  G#  F

```

After that just relentlessly hammer out that F#m. Every 2 bars change to D, (yes, it odd in standard tuning, but hey.) and then back every other 4 bars.

Here is whr thee solo starts, I have just tabbed the basic one from the Information version, but from this it s pretty easy to work out Slack s \* are the played during the solo.
