Intro: **G#5 E5 B5 F#5**

G#5 E5 B5
I like the way that you walk in the room
F#5 G#5
Everyone s watching to see what you do.
E5 B5
The delicate way that you move when you dance
F#5 G#5
Makes me think of our days of ro-mance.

E5 B5
I still look back on our short lived af-fair
F#
I wish I was there.

E5 B5
I don t wanna be
F#5 G#5
Just another face you see
E5 B5 F#5
Looking up across the bar.
E5 B5
I re-member when
F#5 G#5
I was more than just a friend
E5 B5 F#5
And loving you from a-far.

E5 B5
Like a shining star
F#5 G#5
I m drawn to every-thing you are

And I don't know what to do

Oh...

I sit and watch while you're working the crowd

Wondering why we never figured things out.

I guess we both were protecting our hearts,

Playing it cool while we drifted apart.

I find myself wishing I handled it right.

I miss you tonight.
