

I Hear Goodnight
Ingram Hill

This is my first tab
I went to an Ingram Hill concert
and afterwards they were meeting fans
and i asked justin for the chords and we gave me them
so this is straight from ingram... enjoy

Guitar 1 (Justin)- Capo 4th fret - whole song
Guitar 2 (Phil) -Phil told me his guitar is in
Open G tuning but i didn t get the tab for his
riffs throughout the song figure that out yourself

Intro & Verses Chords
G C -listen to the song for the strumming pattern

Verse 1

G **C**
Well I closed my eyes this mornin
Last night to me and my friends
Found myself spinnin once again
Telephone rings for me
Still dirty from the day before
Feel the day s gonna leave me wantin more

Pre-Chrous

Em **D**
Gonna need some time
G
Let the night unwind
Em **D**
Face down on the floor
G
Like a drug you take
Em **D**
Fillin in my fates
G
It s killin me to know
Em **D** **G**
I m dyin for moreeeeeeee

Chrous

G **D** **Am** **C**
Annieeee you ve never been good for me
G **D** **Am**
But I still wanna be wrong
G **D** **Am** **C**
I said too much and now you re gone
G **D** **Am** **C**

And Annieeee you ve never been true to me

G D Am

But I still buy your lies

G D Am C-let ring out

Tell me why would you say goodbye

I hear goodnight

Verse 2

G C

Well I drove down every alley

Wore the shine off these old shoes

Shouldn t hurt this much when there nothin to lose

Pre-Chrous again

Chrous again

Pre Chrous 3- hit each chord once

Em D

I tell myself a story

G

I hang on every line

Em D

What if you adored me

G

Would I still be so blind

Em D G

Every single time?

Chrous

G D Am C

Annieeee you ve never been good for me

G D Am

But I still wanna be wrong

G D Am C

I said too much and now you re gone

G D Am C

And Annieeee you ve never been true to me

G D Am

But I still buy your lies

G D Am C

Tell me why would you say goodbye

G D Am

I hear goodnight

G D Am

I hear goodnight

....theres my tab, greatly underated band we need more tabs posted
