I Hear Goodnight Ingram Hill

This is my first tab

I went to an Ingram Hill concert
and afterwards they were meeting fans
and i asked justin for the chords and we gave me them
so this is straight from ingram... enjoy

Guitar 1 (Justin) - Capo 4th fret - whole song
Guitar 2 (Phil) -Phil told me his guitar is in

Open G tuning but i didn t get the tab for his
riffs throughout the song figure that out yourself

Intro & Verses Chords
G C -listen to the song for the strumming pattern

Verse 1

G C

Well I closed my eyes this mornin
Last night to me and my friends
Found myself spinnin once again
Telephone rings for me
Still dirty from the day before
Feel the day s gonna leave me wantin more

Pre-Chrous

Em D

Gonna need some time

G

Let the night unwind

Em]

Face down on the floor

G

Like a drug you take

Em D

Fillin in my fates

G

It s killin me to know

Em D G

I m dyin for moreeeeee

Chrous

G D Am C

Annieeee you ve never been good for me

G D Am

But I still wanna be wrong

G DAm C

I said too much and now you re gone

G D Am C

```
And Annieeee you ve never been true to me
G D Am
But I still buy your lies
   D Am C-let ring out
Tell me why would you say goodbye
I hear goodnight
Verse 2
Well I drove down every alley
Wore the shine off these old shoes
Shouldn t hurt this much when there nothin to lose
Pre-Chrous again
Chrous again
Pre Chrous 3- hit each chord once
I tell myself a story
I hang on every line
What if you adored me
Would I still be so blind
          D
Every single time?
Chrous
G D Am
                        C
Annieeee you ve never been good for me
  D
         Am
But I still wanna be wrong
G D Am
                     C
I said too much and now you re gone
    G D Am C
And Annieeee you ve never been true to me
    D
         Am
But I still buy your lies
  D Am
Tell me why would you say goodbye
G D Am
I hear goodnight
G D Am
I hear goodnight
```

....theres my tab, greatly underated band we need more tabs posted
