Intro:

**G**                    **Cadd9**                    **Em7**                    **Cadd9**

**G**                    **Cadd9**  
I wanna make a billion dollars  
Take Bill Gates out to lunch  
Fly out to Las Vegas  
Bet it all on just a hunch

Leave my footprint on the moon  
Tavern on the green just for two  
Take a yacht to the South Seas  
Drop in a penny if I please

**Am**  
All of these things I wanna do  
**Cadd9** (or **C**)  
I d give them all up to be with you

**Am**  
But I might as well swim the arctic sea  
**Cadd9**                    **D**  
Then get you to notice me

**G**                    **Cadd9**                    **Em7**                    **Cadd9**  
Whyyyyyyyyyy do I try to be part of her world?  
Whyyyyyyyyyy do I think I can get this girl?

**G**                    **Cadd9**                    **Em7**  
Everybody has to have some kind of thing

**Cadd9**                    **G**                    **Cadd9**  
An impossible dream

**G**  
An impossible

Just give me a little time  
We won t have to compromise  
You may not get diamond rings  
But I ll give you riches in different things.

The Eiffel tower beneath the stars  
The pyramids they would be ours  
The Seven Wonders of the World  
Would fail to compare if you were my girl.

All of these things they would come true  
If somehow I could end up with you  
But every time I start to get the nerve  
I am at a loss for words

Why do I try to be part of her world?  
Why do I think I can get this girl?  
Everybody s got to have some kind of thing  
An impossible dream  
An impossible

**G** **Cadd9**  
If I had just one day with you  
**G** **Cadd9**  
There s nothing that I wouldn t do  
**G**  
I d say I love you backwards  
**Cadd9** **D**  
If you asked me to

**Am**  
Then you would see that all along  
**Cadd9** (or **C**)  
That I was meant to be the one

Why do I try to be part of her world?  
Why do I think I can get this girl?  
Everybody s got to have some kind of thing  
An impossible dream  
An impossible

Why (wanna make a billion dollars, take Bill Gates out to lunch)  
Why (leave my footprint on the moon, bet it all on just a hunch

Everybody s got to have some kind of thing  
An impossible dream  
An impossible dream.
