Blood Brothers
Ingrid Michaelson

Capo on 1st

intro **E**[up stroke struming]   **A**   **E**   **E**   **A**   **E**

E   **A**   **E**
If you knew me, would you save that seat for me?
E   **A**   **E**
If you knew me, would you finally set me free?
C#m   **A**   **E**
We re all blood, we re all blood, blood brothers (x2)

E   **A**   **C#m**   **A**   **E**   **A**   **C#m**

E   **A**   **E**
If you love me, would you hold on to my hand
E   **A**   **E**
if you love me, would you finally understand
C#m   **A**   **E**
We re all blood, we re all blood, blood brothers (x2)

E   **C#m**   **A**   **E**   **B**
What you need, what you need I need too.
E   **C#m**   **A**   **E**   **B**
What you are, what you are I am too.

C#m   **A**
 Cause we re all the same
                    E   **B**
Under a different name
C#m   **A**   **E**
We re all blood, we re all blood, blood brothers (x2)

E   **A**   **C#m**   **A**   **E**   **A**   **E**

E   **A**   **E**
if you knew me, would you lift me from the ground
E   **A**   **E**
if you loved me, would you even hear me make a sound
C#m   **A**   **E**
We re all blood, we re all blood, blood brothers (x2)

E   **C#m**   **A**   **E**   **B**
What you need, what you need I need too.

```
E               C#m    A                        E               B
What you are, what you are I am too.

C#m                                    A
 Cause we re all the same
              E                 B
Under a different name
C#m                           A                       E
We re all blood, we re all blood, blood brothers (x3)
