C G Am F

mmm mmm mmm mmm (x2)

C G Am F

We have fallen down again tonight

C G Am F

in this world its hard to get it right

C G Am F

Trying to make your heart fit like a glove

C G Am F

What it needs is love love love

Chorus:

C G

Everybody everybody wants to love

Am F

everybody everybody wants to be loved

C G

oh oh oh

Am F

oh oh oh (x2)

C G Am F

Happy is the heart that still feels pain

C G Am F

darkness drains and light will come again

C G Am F

swing open your chest and let it in

C G Am F

just let the love love love begin

Chorus:

C G

Everybody everybody wants to love

Am F

everybody everybody wants to be loved

C G

oh oh oh

Am F

oh oh oh (x2)

Bridge:

C G

Everybody knows the love

Am F

everybody hold the love

C G

everybody fold for love

Am **F**
everybody feels the love
C **G**
everybody steals the love
Am **F**
everybody heals with love

C **G** **Am** **F**
Oh oh oh
C **G** **Am** **F**
just let the love love love begin
