

Over The Rainbow
Ingrid Michaelson

B

Somewhere over the rainbow

Way

G#m

up

F#

high

Thereâ€™s

B

A

E

land that

Em

I

B

heard

G#m

of

Once in a

B

lullaby

Somewhere over

F#

the

B

rainbow

The

F#

bluebirds fly

B

so

G#m

high

Birds fly

B

over

E

the

rainbow

Why then,

G#m

oh, why can't

G

I?

B

Someday

G#m

I'll wish upon

B

A

star

And wake up where

Fdim

the

clouds

Are

F#

far behind me

Where troubles

B

melt like lemon

Fdim

drops

Away

F#

above the chimney tops

B

That's where

G#m

you'll find

F#

me

Bmaj7

Somewhere

E

over the rainbow

G#m

The bluebirds

E

fly so

G

high

B

Birds

E

fly over the

F#

rainbow

G#m

Why

Fdim

then, oh why can't I?

Why

A#

then, oh

B

why can't I?
